FOREWORD

It is with great pleasure that I write the 'Foreword' for the Fazl Ali College Journal, Volume 5, 2015. From its modest beginning in the year 2010, the Journal has been making consistent improvements year after year. Since the 3rd edition of the Journal, it is being published with an ISSN Number subsequently it has been peer reviewed from the 4th edition onwards.

The editorial board has been striving ceaselessly to better it with every new edition. Today with a deep sense of pride and satisfaction I can say that the Fazl Ali College Journal acts as a platform that provides opportunities for publishing papers covering a wide range of disciplines.

I sincerely believe that this journal will nourish, benefit, and widen the horizons of knowledge of all those who are in pursuit of learning.
